TECHNICAL SKILLS

Frontend : React.js , TailwindCSS , Bootstrap
Testing & Scraping : Selenium , BeautifulSoup
Languages & Tools : JavaScript , C++ , Python , SQL , Git
Backend & APIs : Flask , Django REST Framework , Next.js , Postman

PROJECTS

- **RahulMart**   LIVE LINK   CODE
  React.js , TailwindCSS , Serverless Functions , Airtable

  An e-commerce web app built using React and Airtable. It lets users browse, search, and shop for products with useful features and a clean, modern layout.

  Features: Stripe Payment integration, Airtable backend integration, OAuth, dynamic product listings, category filtering, price and name sorting, Search feature, dark mode toggle.

- **PollVerse**   LIVE LINK   CODE
  HTML, CSS, JS , Flask , SQLAlchemy , Matplotlib , Werkzeug

  A web app for sentiment analysis in anonymous polls and discussions, providing insights into user feedback over time.

  Features: Anonymous Polls with OTP login, Incognito Mode, Sentiment Analysis, User Profiles with personal poll tracking and email notifications.

- **ShareSense**   LIVE LINK   CODE
  React.js , Flask , SQLAlchemy , Werkzeug

  A Flask-based platform to securely share documents without needing WhatsApp. Users can upload files anonymously or via OTP-secured login.

  Features: file sharing, OTP login, drag-and-drop uploads, 50+ files at once, personal file dashboard.

EXPERIENCE

Software Developer — KanoonKeHaath   **December 2024 - June 2025**

- Used Axios for frontend data fetching and **Context API** for state management.
- Designed and built responsive user interfaces with **React.js** and **Tailwind CSS**.
- Developed and implemented backend **REST APIs** using Next.js and tested with Postman.
- Utilized **Git** for efficient version control, including branching strategies, resulting in merged **Pull Requests**.

EDUCATION

- **Xavier Institute of Engineering, Mumbai**   2022 - Present
  - **B.E. in Information Technology**: CGPA: 8.26 (Aggregate till Sem 5)
- **Elphinstone College, Mumbai**   2022
  - **H.S.C.**: Percentage: 61.17%
- **M.V. High School, Mumbai**   2019
  - **S.S.C.**: Percentage: 77.20%

ACHIEVEMENTS

- **Hackathon Finalist (Certificate)**: Reached **Top 4** in **inter-college hackathon**.
- **Touch Typing (Profile)**: Ranked in the **top 11.76%** on Monkeytype (15 sec category).
- **Project Exhibition Winner (Certificate)**: Won First Prize for **PollVerse** at college-level project exhibition.

CERTIFICATIONS

- **Python Flask Framework**: (Udemy Certificate)
- **100 Days of Code: The Complete Python Pro Bootcamp**: (Udemy Certificate)

EXTRA-CURRICULAR

- **TPO Co-ordinator**   Aug 2024 – Present
  - **Role**: Organized and managed various college placement activities and student-company communications.
